“ *Mrs. Mullis taught me in kindergarten and I was in the last class she taught before she retired. Every time I ran into her she always remembered who I was and always asked me how I was doing. I graduated this year and she sent me a gift bag with pictures from when I was in her class. She's one of the sweetest and most caring ladies I've ever met and I'm so sorry for y'all's loss.*

“ *I'm so sorry to hear about Beth, my prayers are with her family. Beth and I grew up in the same neighborhood in Pelham. She was always so sweet and friendly. We lost touch through the years but would run into each other every now and then and it was like we had just seen each other the day before. My heart is heavy and I know she will be so missed by her family.*

I will miss her so much. We shared recipes and baked for each other. She was a beautiful neighbor, always with a kind word and a daily email blessing. She brought me a beautiful hibiscus that I could see when I looked out of my window since I couldn't go out. I will watch the gorgeous blooms and think of her blooming once again, in heaven, with her beloved Ray. Rest in peace dear sweet friend. Love and prayers for her family. She was so proud of you all and she loved you so much.

Beth was a very dear friend to me. I will always remember the last words she said to me as she left her and my grandson's house. She was telling everyone goodbye and she turned around and said to me "be safe, I will see you next time". I said I will see you too, be careful going home, I love you" she said "I love you too" and smiled. I will always cherish those last few words we had together. She will be missed very much by all.

“ Beth was a faithful prayer warrior and friend for many years. I cherish our friendship. I know she is rejoicing with the Heavenly Father in a land where she will never age or battle sickness. May The Good Lord comfort and strengthen her grieving family and friends.

“ Mrs. Mullis taught me in kindergarten back in the 80's and I always admired her. I also had the pleasure of being her neighbor for the past 4 years. I often checked on her and called her on the phone. I'm going to miss seeing her in the yard or checking her mailbox. She is now with her husband. Sleep in peace.
