“ I know this is almost 2 years late but, I just couldn't bring myself to type anything here. I really miss my grandfather, he was my mentor, my guide, my best friend, and over all my family. He was a really sweet guy, he was funny in his own way, he was very caring, he would always make sure you were okay and if you weren't he was the type of person you could talk to about anything. My fav memory of him is when he would tell my Nana let's drive around the fishing pond , those were awesome times. It still hurts even though it has been almost 2 years later but i am working on getting better at handling my emotions when the topic of death in the family comes up.

“ I'm just learning of the passing of Elmer. I'm so sorry to hear this sad news. I was able to visit with my good friends, Elmer and Mary Lou in 2019. I'll never forget all the great memories we shared being on the Warwick Volunteer Fire Dept. While we lived in Warwick, we lost our grandmother Reeva Walls, then her brother in law, our Uncle Dewey Walls passed, then his wife Aunt Juanita and now Elmer. Rest in Peace Elmer, you are no longer suffering. Thank you for all the life lessons you taught me. I'll never forget you. Love your friend, Anna Guess
