“ I didn't get to meet my Poppa in person until later in my adult life unfortunately. Beacuse ive always loved in Oregon..I'm grateful I got to meet him twice. Especially that my son got a chance to meet his funny great Poppa and all of our amazing family. Granny and Poppa have always made it a point since I can remember to even though we couldn't get together in person make sure we felt loved. I wish I could have spent more personal quality time with him and all of the family. I finally after meeting Poppa found out where my Mom Kelly gets her goofy silly from and her love of catching groceries. Which has been passed down to myself and son. And I will always call fishing going to catch my groceries! I loved my Poppa and will make sure my son and I never forget his love. Until we meet again rest easy Poppa I love you! Thank you for making my amazing family and loving us!
