“ *My heart aches for family and friends. She was one of a kind. She was there for folks at anytime when she could, and if she couldn't, she'd find a solution.. She was the one who took me to take my written and drivers test till I finally passed and there was never a discouraging word... She just encouraged me to study harder and I'd get it next time.. Love and will miss you to no end....*

Wade my heart aches for you and your family and friends. Earlene was everyone's friend. If she had never met you she was still your friend. We had our first responder course together. Before that I had just talked to her on the phone with 911 as she responded to her family, friends, and neighbor's. We would talk. A wonderful Lady she will be greatly missed. You are in our our thoughts and prayers for strength and comfort during this time.

Donnie and Wade. I am so sorry to hear about your loss. I had known Erlene almost our entire life. We went to school together and she was always such a sweet person. I loved looking at her quilts and telling her how beautiful they were She was so talented, caring, and beautiful inside and out. I will sure miss our conversations at Fat Boy's and just seeing her there. God bless all of you in this time of sorrow. She will surely be missed by everyone who had the pleasure of knowing her.

To the Littleton family: Sending prayers and sympathy. My heart aches still; but my heart loves having known such a wonderful, Christian soul for over 30 years. She cut my girl's hair, my hair, and my mom's hair....with such love, caring, and concern. She was a wonderful person, wife and mother to ya'll; and a wonderful friend to many people! My thoughts and prayers are with you all.
