“ *Jayne, Johnny, Cindy, Tony and Family, I am so sorry about "our" loss. Mr. Gene was very special to me as all of you are. It just doesn't seem real that he is no longer there. Just knowing he was has always been a sense of security to me. Please let me know if I can do ANYTHING. I will not worry you during this time but I will do anything that you want or need me to and afterwards I will be there for you too.
Love You All.*
