“ *I am so sorry to hear that Connie has passed away. Kim and Kerri, she loved both of you so much and would have done anything for you. Her grandchildren meant everything to her. I know you are going to miss her so much, but I know that you can be comforted my knowing she loved you so much. Glenn, I know you will miss her, too. All of you will be in my prayers for days and weeks to come. God bless your family.*

*Wish I could come be with you tomorrow for the Service. But I will come by to see you all when I get down to Tifton again. In stead of flowers, I will be making a gift to the Cancer Group you have requested. I am praying that our Lord and Savior, will grant you His peace and comfort, tomorrow and in the days to come. “ *I'm so sorry for your loss. Wish I'd known she was ill. I've missed and will continue to miss the fun conversations we would have about vacations, grandkids (whom she loved so very much) and tales of Sissy and Lacey.*

*She was funny and smart about so many things.
I'll remember her for a long time to come.*

“ Although I had not seen Connie in many years, I was very sorry to learn of her passing. We were in the same class in Cordele, from the time I moved there in 1961, until we graduated in 1968. I remember her as a very sweet and caring friend. She will be greatly missed. Sally McGee Cochran
