“ *Mr. Ralph you will be truly missed. You talked about how good God had been to you throughout these 81 years on earth. You loved talking about your time in the Army, your family, and the previous jobs you had. You were so full of wisdom and shared your life memories with the Staff of Jay & Jay Healthcare. You were not only our client, but our family and we showed you love each and every day. Rest on our dear friend, you can finally take your rest. All is well, thus says the Lord. Love you forever.
