“ *Art worked for me at my truck accessories business in Adel for years. We always had alot fun. There never was a dull moment there anyways. After he left to start his pinstripe game business, anytime he was working near by, he would stop in and visit. Last time he was here, he was bragging on Katie and her horse riding abilities. He knew that I was raised up running barrels. I sure will miss my old friend.*

“ Art was my nephew and I can honestly say he was the most humble tender hearted soul I have ever known. I don't think I will ever buy another car because I won't have you to pin stripe it for me. Your sweet spirit and amazing talent will always remain with me. Oh yes, and the delicious meats you and Tom always grilled for our family reunion. I LOVE YOU with all my heart. Please hug my Sweet Gina for me. 🌹🙏❤️
