“ *Gary was a colleague of mine. I worked in the Marine Corps home office in Quantico, VA that he supported. I traveled to Albany frequently in the past three years and Gary was always willing to meet me for lunch and provide his insights into the goings on within our program down in Albany. I will miss having his wit and hospitality when I visit for work in the future. Gary always treated me with respect and was willing to take the time to help me learn my job. I will miss having his sense of humor around. My condolences go out to his family.*

“ *I was very saddened to learn of Gary's passing. I have wonderful memories working LAV issues with him. We enjoyed stopping at Buckner's family restaurant returning from TAD... the lazy susan never stopped turning! My thoughts and prayers go out to all family and friends.*

“ Gary will be missed by all that knew him. He had a special gift. He always filled the room with laughter. I worked with Gary for many years and I will miss my friend. I know your heart is heavy but take comfort in knowing that he loved his family very much and everyone knew it. My prayer for you is inner peace. This is God's gift to those who belong to him. I feel your pain because I too have been through it. I want to share with you something that helps me during the tough times and I hope it will help you - "Remember -- God is too wise to be mistaken. God is too good to be unkind. So when you don't understand, when you don't see His plan, trust His heart."

“ It was with a heavy heart that I heard about the passing of Gary Leymeister. I had the pleasure of working with Gary for two years. I sadly never got to meet him. But, when we talked on the phone about business, he was always extremely kind, honest, and made me smile. He was a wonderful man who always seemed to have a good sense of humor. He will definitely be missed.

“ While browsing Facebook I ran across Gary's obituary. After reading the great comments and how he uplifted others, this has to be the same Gary L. in the Youth Program at Sylvester First Baptist while I (with wife Janet and children) was Youth Director around 1971. If so, along with the other youth in the church, he was a super guy. Janet and I have great memories of him and all the other youth and adults. This period of time was wonderful in the life of my family. My heart is so sad to read this. Even tho late, my prayers are with the family and friends he left behind. One of my memories is that he was 'skittish' about returning home alone after dark. So, he would leave a ten dollar bill on the table and if it was still there when he returned, he felt okay to go inside.
