“ My condolences to Mrs. Elaine's family. I am glad to have had the chance to meet her. She always was in good spirit, even when she was in pain. She loved talking about her family, especially the grandkids and her husband. In the three weeks that I knew her (she hired me to work for her), she became very dear to me. I wish I had known her years ago. Every time we talked it was like we knew each other already. I am praying for you all in this sad time. My heart aches for you all. Keep your heads up and stay strong. I a praying God strengthens you all. Sincerely, Anjannette Willuams

“ To the family of Mrs. Elaine I am truly devastated to hear of her passing. She was a beautiful person and made you feel like you were apart of her family. She loved to talk about her husband and her grandkids and we would laugh about the funny stories she would tell. I will miss her dearly, may God bless you all. She was truly an angel here on earth.
