“ *My family lived about a quarter mile from her parents house. This was in early to mid 1950's. I knew her parents and her brother J.C. Geneva not as well though. My sincere condolences to the entire family.*

“ One of the sweetest people I have ever known. She made the Best artificially sweetened Tea, lovingly referred to as Nasty Tea and the homemade cakes, they were delicious. She would leave messages with Michael to make sure I didn't eat the whole thing when she made a fresh cake, sometimes it was tough but I was worried she might let her attack dog Tiny loose on me. She made my wife and I one of my favorite cakes when our first child passed away, I still have the plate (Call me Michael we can negotiate the return) smile. She was so funny and has still never answered my question; who is better looking, me or Michael, I think she just didn't want to hurt his feelings LOL. Michael - please know I am truly sorry for your loss and wish we could have been there, but know you and the family are in our thoughts and prayers. We Love and Miss Ya'!!!!!!
