Later in her life, the family moved on to a property just off County Line Road in Worth County. Her father ran a lumber mill, her mother was a housewife.

Gladys was her father's best friend. He taught her to drive at the age of twelve. Gladys married the late James Wynton Warren on June 6, 1931.

During the early years of marriage, Gladys shared her Sylvester home with her brother Judson and later, her younger sister Edith. This enabled Judd and Edith to be in a location to attend high school.

Being a house wife was a true calling for Gladys Warren. She took her responsibilities very seriously. She prepared meals, cleaned, washed, and managed, together with Wynton, to successfully raise two sons, James

Wynton Warren, Jr. and William Griner Warren. She was always offering homemade desserts with a hot cup of coffee to those who paid a visit. Her lifelong commitment was to be absolutely sure that everyone who came into our home was comfortable, satisfied and well fed!

After the passing of her husband, Gladys remained a widow. She continued to reside in Sylvester until her recent struggle with congestive heart failure.

What a wonderful and full life Aunt Gladys had. I have many fond memories of her, especially the Caramel Cakes that seemed to always be waiting in the kitchen. Wish Mary and I could be there to help celebrate her life. Our thoughts are with you this week.
