“ I know God because of my meme! When I lived out of State I would call her to ask her questions about Him. She was so devoted to the Lord and her family. Always dressed beautifully but had the biggest beautiful heart. We are so sad that she's gone, but rejoicing because she's waited for this day her whole life. The day she met Jesus face to face. Everytime I see a sunrise I'll think of her. No pain, no tears, just light. I love you and I miss you mema! Love B
