“ *To Bo and June, and ALL of GLENDA's Dear Family, please accept my Most Sincere condolences. It is So Very difficult to give up our Family members, at any age...*

I have kept what I call little "pull out" drawers in my mind---Each drawer is filled with Precious Memories that I hold Most Dear. It has been a Great Comfort to me---throughout the years---to be able to open each tiny drawer and "visit" the Memory that I need to lift me up and help me to PRESS ON.

Hold your Precious Memories ever close.....They will help you through this time of grief---and in the days to come.

Most sincerely and with prayers for you all,

Marsha Carol Watson Gandy
