“ *Grady Moore was indeed a legend. He was born, raised, and lived within one mile of where he was born. He served his country in the US Army and spent a tour in Germany. When his hitch was up, Grade returned to the peaceful farming area where he spent the rest of his life. As long as I can remember, he was like an anchor in Rocky Mount Baptist Church. All of us at Rocky Mount are saddened by his loss, but we all know that he has gone on to be with his "Lord." He was indeed inspired by his wife, Patricia the love of his life. To all the family; you will be in my thoughts and prayers.*

*I saw him back in April and so glad I did.
I met him at 5yrs old , stopping by to check on him Mr Doyle Andrews,
my papa.
I have loved since I met him, always friendly and funny.
He was the oldest person in Vickers and I brought him a picture of
Vickers school and I wanted him to recognize people in the picture.
He said I can't pick anyone out because I'm probably in the picture.
I told him that he was the backbone of Vickers and he should be
named "MAYOR", he got a chuckle out of that.
One thing for sure, " Vickers will never be the same without
Grady Moore!*

“ *Mr Grady has always been kind to me. When I started working at
South Ga Banking Co 23 year's ago which was at that time called
Community National Bank, he has made me feel very special. He
started calling me Mary 😊. For some reason, he never got my
name quite right, but that's how we became special to each other.
He loved gardening, farming, and nurturing his fruit trees. When he
found out how much I loved cumquats, he'd bring bags of them and
share with bank employees but I always had my own bag. He would
say,"Mary, this bag is for you." In turn I would always make his
favorite lemon cheese cake. I will truly miss him. My prayer is that
the Lord will be a canopy on comfort, warmth, and peace over each
of you.*
