“ *I went to school with Graham until the 6th grade. In the midst of a horrible school year, Graham was always a friend to me and we were friends until he moved. We talked of comics, cartoons, and he never treated me like I weird or different. Gonna miss you, man. Thanks for being a friend.*

“ *I just found out and I'm heartbroken. I knew something was amiss when I posted about our friendship on Facebook and it was silent. Everyday we would post each other wrestling and Ninja Turtle memes, or sometimes just chat. I miss him dearly, and only wish I could have made the trip to spend time with him. I wish our paths had crossed earlier, but will cherish the time.*
