“ *I found this picture in my album and wanted to share it. We were at the lake one year when it snowed. Me and Hannah built snowmen and made snow angels. Those memories will always be with me. This precious child is in the arms of the lord now, so sad that a piece of crap took her from this earth so soon but he will be punished by our Precious Lord. Sheila and George you will be in my prayers and know that I love my precious childhood friend and you to George.*
