“ *I've known Henry since my teen years. I've worked alongside him many times at accident scenes and fires along with EMS runs. He always had a smile and jovial attitude. A very positive outlook on life and was a good friend and professional. Way back the story goes, their police car stalled on the railroad track near old Northside Church. Henry was very instrumental in physically moving the car off the track as the train approached. He was a big guy..
Condolences to the family.*

“ Hello My Sunshine,
I just want you to know that you are in my heart forever. I will forever see your smiling face and remember all the laughs you and I have shared.
Especially over the last 2 plus years. Let alone the lifetime of memories our family has made.
So smile on Uncle Henry and know that when I am in a movie, your seat will always be next to mine.
I will Love You Forever,

“ A message of sympathy in the loss of your dear loved one, please find comfort and strength in knowing that"God will wipe away the tears from your eyes and death will be no more, neither will mourning nor outcry nor pain be any more the former things have passed away."
