“ My prayers are with your family at this time. My heart truly broken for you all. Jake was friends with my children for years, and it has carried over into their adult years. My grandchildren loved and adored him and enjoyed him when he was around. He always made time for them.. He was a friend you could call when needed and he would be there no matter what time.. May God give you peace and comfort during this time and know Jake touched the lives of so many people

“ *One of my favorite memories is of us playing hide and seek with the whole neighborhood at 2 in the morning. We never found you. You were an amazing person. We will miss you so much. Rest in peace my friend.*
