“ Who knew such a sweet angel would be taken from us so quickly? He has left a big hole in my heart!! Not one time in my life do I remember Papa say one bad word about anybody. He was quick to give and always thought of others. We left their house every weekend with something in our hands. I'll miss you so very much, Papa, and I know if you could hear me now you'd say what you always said, "Don't worry about me. I'll be fine." And I know that's more true now than it ever was. Heaven has taken care of everything!! You're gone, but never forgotten. I love you, Papa!!!!!! I'll see you soon where we'll never part again!!!
