“ *Kathy, my sweetest memory of Jamie is when he sang " Go Rest High On That Mountain" at your Grandmother's funeral. He was so emotional that he couldn't get through it without breaking down, so he recorded it and it was beautiful ! He had a beautiful voice and a heart of Gold ! I know he is resting high on that mountain, grinning ear to ear. I'm sending my love to you with special prayers for you and yours. Still love you girl! This is for Sandy also! Love, Martha*

“ Jamey was one of my first friends that I met when we moved to Poulan, I was just 5 years old. His daddy's body shop was right across from my house, we always enjoyed playing together. We were about the same age. I remember one Christmas he gave me a beautiful ring and bracelet, I always thought he was just the sweetest person! When we got in school he always acted like my bodyguard and I never had to worry about anybody picking on me because he looked out for me. He was such a nice guy. We had many fun days walking around our little town of Poulan Ga. Everybody would go to Jamey's house to play and I always loved riding his small motorcycle around his house, I thought that was so fun! I will miss him and I am praying for all of his family and friends. RIP my friend, you deserve it!~
