Margaret & Family - This poem is one of my all time favorite things I've ever read:

*As I sit in Heaven
And watch you everyday
I try to let you know with signs
I never went away
I hear you when you're laughing
And watch you as you sleep
I even place my arms around you
To calm you as you weep
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you are not alone
Don't feel guilty that you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself, be free
Then I know with every breath you take
You'll be taking one for me.*

“ Margaret, Richard & family,

We're so sorry for your loss. Praying for Gods comfort in the days ahead for you all. Kerry was a good friend and we connected due to his disease after many years of not talking after graduation. For that I am thankful! The only good thing that comes from cancer is the love you receive from others and the mercy from God. So thankful he is in the arms of Jesus and not sick any more!!

“ *I didn't know Kerry well but he did do some great leatherwork for me. He was a good man, fair and honest with his dealings and fought very hard against his disease. I never heard him complain. Rest in Peace Mr. Helms with a healthy spirit in the arms of the Lord.*

“ Will miss you Kerry. Many memories of our days at Lake Mary and family get together. You were very talented and enjoyed your work. God called you home because he knew you were ready. No more pain to endure on earth only peace and endless time with your parents and loved ones in heaven. Rest In Peace Kerry, we'll meet again at the Golden gates.

“ I am so very blessed to have had Kerry as my life long friend. So many sweet memories over many, many years. Rest easy now sweet friend and know we will always hold you so very close in our hearts. I find great comfort in knowing the last words we had to say to one another were "I love you".

Go Dawgs! Let's win one for Kerry!
