Well I figure people knew us as close friends in school starting in the days of middle school going to Sumner and throughout high school in Worth County. We remained friends throughout the years and we both even lived in Stone Mountain GA close to Atlanta in the early eighties for a few years. I could write a book about our adventures but he is finally at peace. Prayers for all of his family.

“ A lot of my high school memories include hearing the laughter Steve created. Open-hearted and kind, Steve provided a listening ear to many. His circle of friends is lucky to have story after story of high school antics and time spent together. Thanks for the memories and the love, Steve. “We give thanks to God always for all of you, making mention of you in our prayers.” - 1 Thessalonians 1:2
