“ Uncle Jimmy,
You mean more to me than words can say!
It only seems like yesterday,
You were laughing and being a fool
All while trying to show us "kids" how to be cool.
Although we lived miles apart you never left my heart.
When I heard the sad news, I didn't think it could be true.
it was and I was sad an blue.
For in my life I lost a great man who always had a plan.
You had a good life!
I will miss you very much uncle Jimmy, my heart is heavy with pain
right now but I know that when you had that last ride that you got
something greater! Tell granddaddy hello for me! Go and rest high
on that mountain at the feet of Jesus because you have earned it!
Save a place for us! We will see you when we all get there! Love
you very much! Rest in Peace SPD 19!
