“ *Pat, Andy and I were so sorry to hear of Ted's passing. You guys were such great neighbors. Long time friends stay with you no matter the distance between them. Ted was always so patient with our sons (Bill and Gregg). They stayed at your house more than ours. Ted was so good to my mama and daddy. I appreciated it more than you will ever know. Your family will always be a good memory in our hearts. The world has lost a truly good man. He will be missed. God bless and keep you and your family. Andy and Pat Stanley (your Sandpiper friends)*

“ Growing up in Plymouth, Florida was dull and uneventful and Teddy and Lawrence made it a little more bearable. He brighten up our day every morning and always had something to say as we got on the bus. He was a good man and his family was very important to our neighborhood. While I haven't thought about him as time marches on; he will always be one of my fondest memories. Rest well "Teddy" and rest assured you won't be forgotten. God Bless Your Family in the knowledge that you touched a lot of people without even knowing.

“ Sad day, but happy knowing that Teddy has arrived home, with the Lord. Know you will miss the daily togetherness, and in time the memories will always be there, that you and he enjoyed. Our friendship goes back a long time and it is hard to think that he is gone from this earth, but comforting to where is now. Carolyn and I love you and the girls, God Bless
