“ *Thoughts and prayers go out to the family. It is so hard to lose someone at such a young age. I have some many great memories of Jamie from high school! He will be greatly missed!*

“ *Jamie will be dearly missed. My favorite memory with was sitting at Mrs. Susan's table and he would play guitar and we would sing "Broken" by Evanescence and Seether together. I also had my first kiss at The Giving End's concert and Jamie always gave those drums hell. He was a great musician and a long-time friend. My heart goes out to his whole family, especially to Mrs. Susan. You are a strong woman, and you will get through this.*
