“ *She was such a sweet "southern" lady. We pray for your peace and comfort in the days ahead but rejoice in knowing she "had her bag packed" and is now happy to have made her final journey to be with Jesus and Mr. O. Z. May God bless.*

“ I didn't know nanny as well as I should have but the times I was around her and went and visited her I really saw the love she had to offer everyone that came in her life. We had a few good conversations that I really enjoyed and I know Haley enjoyed her too. (She loved making homemade chocolate p-nut butter balls with her) I see why the Crawleys are such good people, they stem from nanny!! I love all of yall no matter what and you are in my thoughts and prayers.

“ *Her Journey's Just Begun*

*Her Journey's Just Begun
Don't think of her as gone away,
her journey's just begun,
Life holds so many facets,
this earth is only one,
Just think of her as resting,
from the sorrows and the tears,
In a place of warmth and comfort,
where there are no days or years,
Think how she must be wishing,
that we could know today,
How nothing but our sadness,
can really pass away,
And think of her as living,
in the hearts of those she touched,
For nothing loved is ever lost,
and she was loved so much.
