“ *I loved my cousin, Janice. We grew up together and people thought we were sisters. Somehow, throughout our later years - we lost touch with each other. Found her again - but too late. Love you Janice. Will see you again. We were first cousins!*

“ *My precious mama was my mother first, my best friend my role model, my rock, my everything. I miss her already and will be forever lost in this world without her. She will always be alive in my heart and we will be together again someday. Thank you to everyone for the support that has been given to my family.*
