“ *Man this hurts, McGee my heart goes out to you!! I remember the first time I met Jason at age 10 on the Poulan softball field. His brash cockiness drove me crazy but man could he back it up. Jason and I always had battles on the basketball court and softball field for the next 25 years and I will cherish those times forever as he always made me laugh and was a great teammate. I am a Better man for knowing you Jason. Love you like a brother Will Basko*

“ Dear Jason Strickland family. Please accept our heart felt condolences and prayers during this very difficult time. I went to Worth Co High School and graduated with Jason in 1993. Jason was always a great person and I regret not staying in touch with him. I left SW Georgia after graduating high school and my family and I reside in Houston, TX. Now so regrettably I will not be able to attend the service but please know I am there in spirit. Sincerely, David Tompkins. If I can do anything please let me know.

“ Jason was always the sun that lit up any room. Without him, there will be less joy and laughter that will fill the walls around us these holidays. We all know how hard it must be to lose a good father, son, brother, husband and friend such as Jason Strickland. We must all remember that he is in a better place now, surrounded by the positivity of God and Jesus in heaven. Jason is now an angel and he will always watch over all those who were very close to him and will continue to hold dearest memories of those in his heart. May God bless all of you and give you strength to move on from this beautifully tragic event that has unfolded. - The Russ Household
