“ *My thoughts and prayers are with all of you. I will always remember sharing dinner with Jean at Blake and Lindsey's rehearsal dinner. I'm sorry we didn't have time to get to know each other better. With love, Pat*

“ *We are so sad to hear of Jean's passing. She was such a precious lady to us who we got to know and work with over the past couple of years. We will always remember how sweet she was and of course how great of a cook she was. Our favorite was the Mandarin Orange Cake in which she would make for us often. We will really miss her. I pray comfort for the family during this difficult time. God Bless each of you!*

“ Todd, Steve and family, I cannot tell you how sad I feel about Jean's passing. I have many, many wonderful memories of times we spent together over the years. I will miss her all the days of my life. I know you are hurting but just remember she loved the Lord and studied his Word and she was a dedicated Christian so we will see her someday soon.
