“ *Wade Bowen is a name I have known as long as Ive been alive. We had school, little league, Birthday Parties , We hung out at each others houses, Mike Martin Baseball camp at FSU, High School , Graduation, etc.. He was always the kindest most level headed person you could talk to. That was a trait he got honest, His family was the nicest people I ever had the pleasure of meeting. Ive got a ton of fun memories involving him. I will cherish them forever. He was in my restaurant in Thomasville just a month or two ago. We revisited some old memories, Im really glad I got to see him. He will be forever missed and my heart and prayers go out to Ms. Wanda, Brian,Brad and family.*
