“ *My friend/my buddy will truly be missed. It hurts me so bad that she is gone. I hate I didn't get the chance just to laugh with her one more time with her crazy self. She was a light at times when I needed one, and she always tried to keep you laughing even though she was feeling sad inside. She was always one willing to help, and we always enjoyed talking about our children, and the craziness of them. I love my friend and she will be sorely missed.*

“ I was shocked beyond belief to hear of Jennifer's passing today. We went to elementary school together and had reconnected when I worked with her granddaughter Melanie at WCPS. My heart and prayers are with her family. Rest in peace Jenny

“ I want to thank you all for your prayers. I am her oldest daughter. My mom was.. And still is.. A wonderful person. She was definitely an angel in disguise. She never was selfish. Gave everyone the most respect. She was always that ear when you needed someone to vent to or that shoulder to lean on. She was always in 'mother mode' if you asked for advice you would get a 'mother's advice' before a 'friend's advice' from her. She somehow made an impact on everyone's life that she had a chance to be a part of. She will be missed and never be forgotten.
