“ *To the Dorminey family,
My thoughts and prayers go out to the family in their loss of Jerry.
He was a friend on and off the race tracks in South Georgia and
North Florida in the late 1960s, 1970s and early 1980s.... always
smiling and giving to others. He was "Dean-O" Oil Company sported
on the sides of the red, white and blue race cars driven by my late
husband Larry Benton and others. He was one of a kind and we all
will love and miss him greatly. I am quite sure that he and Larry are
up in heaven right now reminiscing about all those late models
victories at Thunderbowl, Albany and Lake City. I have many fond
memories of Jerry and his family. As always you are in my prayers.*

“ Jerry was always young at heart. And YES, he was a GREAT DANCER!!! All we "younger girls" would line up to dance with him. "Patsy" did not mind one bit.....she would just get a cute little smile on her face, and her fellow majorettes got to have a spin around the dance floor with her Jerry. Life happens----"For The Good Times....."

Our LORD's sweet Comfort to you all....and let's always Remember the good times.....

*Most sincerely,
