“ My father was an amazing man he was a good man, I will have the best memories of him always. I will always remember my dad and I going to lunch on Saturday's when I went to work with him. If you know my dad then you know he could eat. I will always remember how he would take my friends and I to the beach on weekends, taught me how to drive so it's his fault if your scared of my driving lol.

I'm so thankful I was able to see a man love my mother as much as my father loved her I will always remember my father love . 💕💕
