“ *It has been some years since I have last seen or spoken to you Jesse. I'm unaware of the circumstances but no matter, I hope you find peace and solitude. I know your father is there with open arms to recieve you.*

We met in 9th grade and were always hanging out. I Remer staying over on the weekends and playing music with you and your father, and if we weren't doing that Mr. Nelson had us up on the roof with tar buckets lol. Not a bad wage for two kids back then to go out on the town. You will be missed.
