“ I am so sorry to hear of Jimmie's passing. She was a mentor to me 50+ years ago when she worked at my Dad's office (Dr. Gordon Davis, Jr). She was who my Dad trusted to handle his most confidential correspondence. I learned from her as we went from his office to the hospital to the nursing homes; she taught me about medical records, confidentiality, privacy, office management, etc. She impressed me with her knowledge, dedication, and love of her work. She was a true professional who inspired me to get my degree in medical records/Health Information Management and spend my career in the field.

*I can remember visiting with her on weekends. She is the only person I know of who dedicated each Saturday to cleaning a different room in her house from top to bottom. She was one hard worker in all aspects of her life.*

*I hope she knew how much I admired her and appreciated her friendship and all she taught me.*

*To Jimmie's entire family, condolences from the Davis Family. RIP Jimmie.*

“ For Lisa & your Family, your mother was a lovely Christian lady. I visited with her several times over the telephone being a few states away. She took loving care of one of my mother's favorite cousins, Dr. "Jack" Doyle. Mother was very fond of Jimmie and spoke highly of her. May the Lord of comfort fill your hearts with His unfathomable peace. Jimmie is now with Him and enjoying the experience of no more tears and no more pain. To be absent from the body is to be present with the Lord.

“ *I had the pleasure of caring for Ms. Jimmie over the past few months and grew very close with her throughout this time. She was the most loving, most caring, and funny woman. She will be missed by myself, and all of my coworkers at Cypress Pond. I am keeping her family in my thoughts and prayers, as they navigate the loss of this special woman. May she rest in peace* □
