“Dad you will be so missed. I know you are finally at peace and walking the streets of gold with Ms. Patsy. You and her will always hold special places in my heart. Y'all never treated me as a daughter-in-law, I was always fought over by the two of you and treated more like a daughter. I will cherish the memories I have, all the fun times, all the talks we had, especially the laughs we had together. Thank you for being like a Dad to me. I love you and will surely miss you!!
Love you, Ginger

I would often see Jimmy when I was with Roger and Jerry. I don't remember many times that he did not have a smile on his face. Sorry to hear of his passing.

I will always remember Jimmy and his sense of humor. I got to know him at church through the choir and while singing at the nursing home in Sylvester for a few years. He was our music leader and always used his enthusiastic singing and love of God to get a lot of the patients tapping their toes. You will be missed, but I know you are in a better place now. Love and sympathy to the family.
