“ Elizabeth, Jim, Theo, and family,
Tracy and I want to offer our condolences for your loss. Jimmy was a friend to everyone he met including taking us in like we were family. I missed the days of our get togethers to play music and fellowship together. You were always so welcoming. We will see him again, but the pain of loss is real and only God can give the comfort and peace that you need at this time. We love you all and pray for you all.
