“ *My condolences to the family of John. I remember our time together in high school with fond memories. Although I hadn't seen him for more than 30 years, I can still remember him as one of the "Good Guys" from our time growing up in Sylvester. RIP John.*

“ *"There can be no greater tragedy than to lose a child." I know the heartache that will be with you forever, Bess. Please know that John was special to me - he comforted me when I lost Keith. I loved seeing his FB postings and am so thankful that he found God. My heart hurts, but I am thankful that I knew him - John and Keith are together and we WILL see them again one day. Love & prayers to all the family.*
