“ I have not seen Johnny in a number of years, but I will never forget the kind and humerous man who was my family friend. I certainly feel that he is gone too soon, but God had bigger plans for Johnny. I would like to offer my condolences to his family and hope that you will be comforted by some wonderful loving memories. To Johnny; Godspeed.

PS

“ I didn't know John Slappey but have heard wonderful things about that side of the family including things about John, Sr and Jewell. I would like to contact some in the family if possible. My husband's name is Clyde Slappey and I also have a daughter named Nikki Slappey. I am pretty certain we are related because I remember Jewell Slappey who used to be with the Duval COunty School Board.

Sorry for your lose.
