Worked with Johnny and Bobby at Tucker Aluminum in the late 60,s. I
think their father also worked there. Never a dull minute around that
crew. Work and talk cars all day.

Johnny was a kind man. Johnny was fun to work with both in the office,
and especially the years on the road. Johnny used to swipe my soft
drinks from the fridge and leave 2 quarters on the shelf. Johnny did
love him some Eagles. Johnny loved his family. Johnny was Padblock.
Johnny loved Jesus. Johnny was my friend. I loved Johnny.
