“ *John, you were such a great inspiration to myself and others that met you. I can still remember working at your car wash which feels like so long ago. You showed me how hard your hard work helped you succeed in your business and another side of taking care of your car. You always had that great energy and humor when we saw each other. We're really going to miss you John! Until we meet again big cuz!*

I meet John when I was a young girl-he use to always hangout with my uncle and I thought he was funny. When I received my state board license for cosmetology, John gave me an opportunity to work in his salon. I'll never forget what I've learned by being in his presence- whether working, going to the club together or sitting around the house talking, he was truly a wonderful friend, very loyal and honest. He was my brother and I will miss him dearly. RIP my brother God needed you more.

“ John, you were my inspiration as I was yours to keep going no matter what!! You promised me that you would keep fighting and you did just that. I will miss all our talks and the times we shared at the Beauty salon. I prayed and prayed that God would leave you here because I just didn't want to let you go and you didn't want to leave, however, God had another plan for you. I'm trying my hardest to understand, but my heart and my tears are great at this present time! Thank you nephew for the Faith you had in me and for showing me what true love and perseverance really is. Take your truly deserved rest. I Love You and will miss that lasting smile you always had to brighten someone's day.

“ *John can rest now - this was the hardest working man. He came to our house in July and washed my truck, Randy's truck and washed and waxed a 33 foot 5th wheel. He worked so hard that day and he brought along his son that he wanted to follow in his footsteps. Randy kept asking him to come set down in the shop and take a break, nope he wanted to get finished. Set back and take a seat John for you have earned your time in heaven* 💔
