“ *Saddened to learn of Mr. Joe's passing. My sincere condolences to his wonderful family....some I know and others I had heard of from Collard Man's proud stories! He had a wealth of produce industry knowledge was always willing to try and help you solve your problems. I don't recall him having a bad day if he was working....and he was always working! Hope they have seed spitting in heaven....maybe he can get another trophy! Prayers to his family!*
