“ *Godspeed Cousin Joey. May you Rest In Peace and be in the loving presence of your dear Mother (Aunt Tricia), family who've gone before us, and the Lord. You left us too soon. I will cherish my memories of your kind and gentle spirit. My sincere condolences to your family and close friends. They are in my thoughts and prayers during this time of mourning and celebration of your life and living legacy (i.e., your children and theirs).*

I am attaching a couple of group photos from an impromptu family gathering in October 2019 when my Mom (Vivian) and I were passing through Moultrie on our way my home to Florida. I am so happy we were able to spend some time together...

My heart is so sad & burdened for my family during the loss of such a special cousin & precious angel. I have so many memories of Joey from birth to heaven. Although we are heartbroken & missing him dearly, he has received his healing, his crown & walking the streets of heaven with Jesus & his mother wearing that glowing smile. We will always hold that special place in our heart for such a wonderful son, brother, husband, father, grandfather, uncle, cousin & friend. We love you & will miss you until we meet again!
