“ *I can not express the feelings of loss I have had since learning of your passing! Not only did you take me in and feed me,(eggs over easy and grits)and let me stay over with Angela (and usually Donna), but you were there for me in times when I had no one else to turn to and for that I am eternally grateful. I know you will be on a beach somewhere in heaven waiting for your girls to join you and all the others. Losing you is truly like losing my mother and I love you very much!! PS Save me a beach chair in the shade Pilly and maybe we will go for a ride in that yellow Cutlass!!! Love, June C. Odom*

“ *Words will never explain the love I have for you! Your family was always my family! If I could change anything, I make it so you'd live forever! Thank you for the huge portion of my life that you were involved in, the sleepovers, the pool, the beach trips, the grill cheese sandwiches and most of all for loving me like your own and providing me with the best girlfriend I've ever had! Please smile, look up friends and relatives and watch over Angela and Terry, me, George and Rhonda, Ansley, Jamie and Boone...RIP PILLY, I will miss you and I'll always love you! Donna*
