“ *Words are never adequate in moments like these. My condolences to you and your family on the passing of your wife/parent. It is never easy to lose a wife/parent, no matter your age. I pray for your peace and comfort as you continue your life journey without your wife/parent earthly presence.*

*A blessing sent your way!

“ *I was shocked and saddened when I heard of Joy's passing this morning. We often worked at our sons' scouting and band events together. Joy always had a kind word for everyone and she had such a sweet spirit. She will truly be missed. Leonard, Dakota, Julie and the rest of the family, you are in my thoughts and prayers.*
