“ I met June in 1967 at McGregor Golf. She was already working there and I was beginning. We became instant friends. Our daughters were born the same year & went to day care together. June was a genuine sweet, loving, caring lady and a great friend. We shared many memories. I have never been more shocked to see she had passed. I know her sweet family will miss her terribly. I pray for comfort and peace for Jill and all the family.

“ *One of my favorite co-pilots I would call Mrs. June while we worked together on the weekends. We would talk and talk and talk on. We laughed. We joked. We shared secrets. We talked about shopping, the new family additions, and our favorite restaurants amongst many many other things. I soooooo missed those weekend moments. Still do to date! I always looked forward to seeing Mrs. June. One of the sweetest, kindest women I have ever known. It hurt me and my family to hear such news. Spread your wings and fly on Mrs. June. You'll never be forgotten but definitely missed.*
