“ *Karen was my dad's sister. She is such an extraordinary woman with a kind heart, and that famous Hurndon sense of humor. She and I would message about the good ole days and all the classic stories of my dad when he was younger. I am sad that we did not get to visit before she passed. My heart is heavy but I know she is in a better place with all of the Hurndons that have gone before us. I love you Aunt Karen!*
