“ *Dear Uncle Jimmy and Family, I had met Katy years ago when my mother and I traveled to Georgia for my first time there. My father, Dewitt, had often talked of his little brother, Jimmy-David, and when we arrived we were greeted with such warm hospitality and stories of my Daddy and his growing up that I had never known.*

Katy was so wonderful to us and I have always remembered that with appreciation and love.

I was at the cemetery in Ray City just recently for Buddy's service and again at Thanksgiving. The next time I am there (soon), I will put flowers in appreciation and remembrance on Katy's grave, as well.

Much love and comfort to you all, Julie

“ Dear Jimmy,
This is a voice from your past - Katy Roberts. You may remember Max, Marjorie and me as we were growing up as neighbors along with WH, Marlene Gaskins and family and others there in Nashville. I lived away for over 50 years and returned to live in Tifton four years ago. WH told me you lived near Sylvester.

I just want you to know that I was so very sorry to learn of your wife's death. I pray that you will gain strength to face the future remembering all the good years you had together.

My best to you and your family and God Bless.
