“ *We just found out about Keith's passing and were saddened to read about it. Keith was a fun person to be around. We will always remember the Chinese fire drill we did in Hanau Germany, our skiing trip to Garmisch Germany and all the times of being together at his apartment in Bad Nauheim Germany. There was good reason he was the best man at our wedding, and told us.....just think, some day the pasta monster will strike....and strike it did. Keith was right....again. Mom enjoyed meeting you, she liked both of you and would always say she would have had you over again anytime. Rest well, Keith.*
